TIME ALLOWED - 5 HOURS FOR PROS

Our Bodypainting category will be heading to Mexico for inspiration and asking entrants to create classic Day of the Dead looks. Judged once again by two of the UK's leading names, Jennie Roberts and Catriona Finlayson from Paintopia, along with Angela Youngs, we're looking for exceptional work, either brush and sponge or airbrush, combined with costume, headpiece and innovative use of props. Present your inspiration board.

Judges are looking for interpretation of theme, application, uses of adornment to enhance work and technique, as well as marking the design for the face and consideration for fellow competitors. Disciplines allowed: airbrush, brush and sponge combined (you may use all or any these). Stencils are permitted, but must not be used for more than 25% of the overall design. Nude painting is prohibited and all models must wear suitable protective underwear and professional standard nipple covers.
