Iconic designer, Gianni Versace, and his sister, Donatella, have helmed the eponymous fashion house since the 1970s, combining luxurious classicism with overt sexuality.

Capture the essence of this unique styling, blending nails, hair and make-up to recreate the vivid colours, bold prints and sexy cuts which blend historical Graeco-Roman designs with contemporary art. Remember that your finished look needs to work at a distance as well as close up.

Your accompanying Mood Board will storyboard your inspiration and vision. You'll be talking through this with the judges to walk them through your creation. Both male and female models are permitted. Style your model to complete your look, with carefully sourced clothing and great looking hair to reflect your creation.
