Theme: Karl Lagerfeld

One of the fashion industry's most icon sons, Karl Lagerfeld's influence stretched over four decades. Helming Chanel since 1983, his work encompassed both the ready-to-wear and couture lines of Coco's famous House, along with his own label and collaborated with Silvia Fendi to create Fendi's ready-to-wear collections. Celebrated for his renaissance-like intelligence, Lagerfeld's aesthetic was imbued with cultural and historical reference points.

Do your research well – use books and videos, as well as the internet, and remember that your finished look needs to work at a distance as well as close up.

Your accompanying Mood Board will storyboard your inspiration and vision. You'll be talking through this with the judges to walk them through your creation. Both male and female models are permitted. Style your model to complete your look, with carefully sourced clothing and great looking hair to reflect your creation.
